

WEBSITE PROPOSAL

A website as solid as *Bob's floors*.

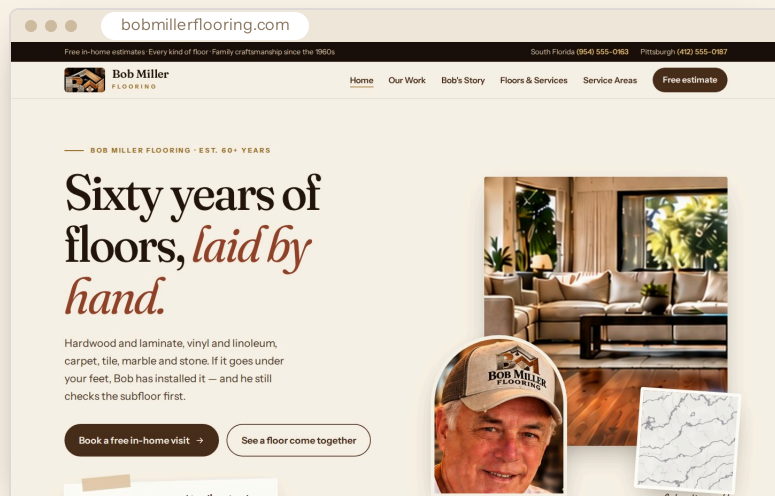

Custom 6-page website for Bob Miller Flooring · South Florida & Pittsburgh

Prepared for **Bob Miller**

Date **October 2026**

Valid for **30 days**

Sixty years of craftsmanship deserves more than a template. This is a one-of-a-kind website built around Bob — his story, his standards and his work — designed to turn visitors into phone calls in both South Florida and Pittsburgh. You own every file, and it runs on any web host.

The live mock-up — already built and ready to finish.

What's included

- **6 custom pages:** Home, Our Work, Bob's Story, Floors & Services, Service Areas, Free Estimate
- **Before / during / after** project viewer & drag-to-compare sliders
- **"What's under your floor"** explainer that shows Bob's expertise
- **Two service regions** with town lists & a ZIP-code checker
- **"For pros"** section for flooring stores, contractors & designers
- **Google-ready:** search setup, Analytics & Google Business Profile
- **Designed for phones first**, with a tap-to-call bar on every page
- **Floor Finder** comparing all 12 floor types Bob installs
- **Photo gallery** with filters & full-screen viewer
- **Estimate form** to Bob's inbox, with photo upload & spam protection
- **Words from Bob's own interview**, written for homeowners
- **Fast & secure:** plain code, no plugins to update or hack

What we need from Bob

- 1 Business phone number(s) & email
- 2 Project photos (phone photos are fine)
- 3 A 20-minute phone interview
- 4 Permission to use his Google reviews
- 5 License & insurance details
- 6 Domain & hosting in his name
